Subject: *ELP Way ahead/actions to take (Funding Request)

WFD Team,

We appreciate everyone's patience while the M&RA, P&R, and the comptroller community determined a way forward for Enterprise Level Programs (ELP) (a.k.a. how you receive your centrally managed resources) under the Defense Agencies Initiative (DAI). I cannot express the urgency and critical nature for the following ask in order for Civilian Workforce Development (CWD) funding, whether that be Academic Degree, Command Training, or Community of Interest funds, to be received.

Moving forward to receive requested funds, the following actions are required:

- a) Provide a Reviewer (see MRA ELP Key Roles worksheet v1 20220228 attachment)
 - a. Complete a Systems Access Request in ARMS (<https://odsf.mcw.usmc.mil/arms2/>)

- b) Provide a Certifier (see MRA ELP Key Roles worksheet v1 20220228 attachment)
 - a. Complete a Systems Access Request in ARMS (<https://tso-confluence.mcw.usmc.mil/download/attachments/41567704/USMC%20DAI%20FF%20ARMS%20v1.0.pdf?version=1&modificationDate=1636146414683&api=v2>)
 - b. Complete a DD-577 (See attached DD577_Certifier)

For your role each L4 will have to identify a Reviewer and Certifier. The Reviewer and Certifier roles function similarly to the approval process for PR Builder.

Notes:

*Please coordinate with your Comptroller to gain a better understanding of this new process and language being used.

Respectfully,
